Sub : Indefinite Strike Call of Federations, Teaching and Non-Teaching Staffs of OFB Schools at this juncture -
Seeking your guidance.

R/ Sir,

We the Teachers of various Ordnance Factory Schools had discussion regarding the likely corporatization of OFB and the details are given below:-

- 1) OFB is having overall 24 Schools - Primary, Secondary, Senior Secondary. The schools are playing a major role in delivering the proper education to all the factory employees and their dependents along with 25% poor and weaker sections as per RTE 2009, implemented in OFB in 2012.
- 2) Near about 15000 poor and needy students are getting proper education in these schools as social accountability of Central Government.
- 3) Most of the Ordnance Factories are located in the remote areas and O.F. Schools are only schools to cater education needs. No Fee is charged up to Class VIII.
- 4) Among the 41 Ordnance Factories the teachers are in very small quantity. There are only 585 posts PGT-36, TGT-312, HM(P) - 22, TP-197 and Lab Attendant -18. As the corporatization steps are fast ongoing, it's creating a serious concern to all the teaching and Non-Teaching School staffs in this organisation regarding 3P (Pay, Promotion and Pension).
- 5) The Schools hardly utilize below than 1% of the overall budget of OFB. Hence, Schools are not overhead for OFB or Government.
- 6) OFB Schools should not be treated as a profitable organization whereas it should be treated under welfare units.
- 7) The OFB Schools are nothing without Ordnance Factories. So, our Association took a decision to oppose the move of corporatization of OFB organization.
- 8) If corporatization comes in OFB, the schools should be kept apart. We should be consulted before any major policy change.

Thanking you,

Yours faithfully,

Sub : Revised Pay Fixation on Implementation of 6th CPC in r/o TGTs / HM(P) working in OFB Schools.
Ref : Reminder and elaboration of last meeting point related with entry pay 12540/- for TGT

R/Sir,

With due respect I have to inform you that some teachers are to be given entry scale 12,540/- for TGT/HM(P) from 1/01/2006. The relevant portion of First Schedule Part - A, Section - II of CGS(RP) Rules, 2008 notified vide GSR No 622(E) dt 29/08/2008 is reproduced below / overleaf.

Section II

Entry Pay in the revised pay structure for direct recruits appointed on or after 01/01/2006 -

PB -2 (9300 - 34800)

Grade Pay	Pay in the Pay Band	Total
4200	9300	13500
4600	12540	17140
4800	13350	18150

PRT teachers whose pay was below than 9300 was rounded to 9300 and given 9300+4200 = 13500 on and from 1/01/2006. But those who are in 4600 are still awaiting to get 12540 + 4600 = 17140. I am putting forward some specific cases for fixation / bunching or any other means to solve this problem.

It is assured by the official side that both the proposal will be explored. [Action : Per/G]

2. Requesting Posting of Principal-II in RFI, Bhandara & Dehradun.

OFB's Comments / Decision

As per existing SRO 75 dated 20-09-2017 for the post of Principal – I, Principal – II & PGT , it may be noted that the mode of recruitment from PGT to Principal – II has been revised from 50% DR and 50% promotion to 100% promotion mode. Accordingly, as per DOP&T guidelines & MOD directives, promotions have been kept in abeyance until the finalisation of court case pending with Hon'ble Supreme Court of India.

General Secretary
All India Ordnance Factories
Teaching Staff Association-II.Q.

Hence, posting of Principal – II as desired will be done as & when the clearance will be received from MOD in this regard.

In this meeting it is cleared by the chair that the tendency of not taking the promotion by the teachers to avoid transfer is serious concern for proper distribution of teachers among schools, which is not at all acceptable by the management. It is also conveyed by him to the representatives of the Association that in future, management may introduce regular transfer policy even if the individual don't accept promotion.

[Per/NI]

3. Quick filling up of vacant posts :- OFRC, Ambhajhari is making too much delay. These posts may be filled by concerned GMs. Please note that NOC from SSC for filling the posts already exists with concern GMs.

OFB's Comments

It is intimated that without OFRC factory may not initiate recruitment.

[PER/NI]

4. On 15th August, 2017 new building of GSF H/School is inaugurated by GM Dr. Shri Rajeev Chakraborty. So permission to be given to conduct the classes from XI & XII in the new building. Hence, permission for extension of the existing High School to Higher Secondary School is required. Please consider the demand as there is not a single Higher Secondary School in East Zone, which will also solve the stagnation problem of TGT of East Zone.

OFB's Comments / Decision

No proposal has been received by this office regarding up-gradation of the existing GSF H/School to Higher Secondary standard. Till then the point may be dropped.

[Per/NI]

5. Due DPC for TGT/PGT/PRT should be conducted at the earliest.

Sub : Future of OF Schools and Teachers- regarding.

- Ref (i) Record of Discussion of the meeting of Hon'ble Raksha Mantri with Federations dated 16-07-2021.
(ii) Previous representation of AIOFTSA No-AIOFTSA-HQ/2019/-21/27/2021 dated 05/02/2021

With reference to the above referred minutes of the meeting dated 16.07.21, I want to raise my concern regarding future of schools being run by OFB and their teaching staff as well as the students. In the aforesaid meeting many issues related to the post corporatization future aspects of different non-production entities of OFB but nothing has been discussed specifically about OF Schools.

Sir, I want to draw your kind attention to the fact that currently 24 schools (Primary, Secondary and Higher Secondary) are running in different states with 593 teaches (From Pay level 6 to 10) and lump sum of 15000 students. And the future of all these teachers and students is uncertain in lack of any decision.

It is pertinent to mention that the schools are running under different state boards and serving in remote places as per right to Education 2009 and as per the guidelines of GoI. Most of the students are from BPL and EWS background, basic education of such children will be adversely affected specially of remote areas where elementary education is only provided by OF Schools.

It has been circulated in public domain that all non production entities such as Hospital staff, training institutes etc. will report to the Directorate of Ordnance(to be formed) but nowhere and nothing has been mentioned with regard to the schools.

Disturbance in school functioning will not only affect the future of the society but also leave an army of depressed teachers, who have served the country with their knowledge and teaching skill. In view of all these it is requested to kindly discuss the matter of schools specifically in the upcoming meetings and ensure the future of teachers and the students who are studying in these schools.

विषय: अपील

परम आदरणीय,

प्रधान सेवक महोदय,

पत्र के माध्यम से शिक्षक-सेवक समुदाय आपसे अपील करते हुए आपको निम्न पहलुओं से अवगत कराना चाहता है।

1) आपको विदित है कि भारत सरकार द्वारा आयुध निर्माणिओं का निगमीकरण किया जा रहा है। इसके तहत समस्त संस्थान विभाग इस दायरे में शामिल है। इसी कड़ी में निगमियों के अधीन स्कूल विभाग भी शामिल हैं।

2) समस्त आयुध निर्माणी स्कूल संपूर्ण भारत के विभिन्न क्षेत्रों में स्थित हैं। समय की आवश्यकता के अनुरूप इन्हें खोला गया था। कई स्कूल 100 वर्ष के हैं। इन शालाओं का अपना एक इतिहास है। वर्षों से इन स्कूलों ने होनहार पीढ़ियों का निर्माण किया है। देश को होनहार प्रतिभाएं प्रदान की हैं।

हाल ही में एक छात्र प्रतिभा विवेक सागर प्रसाद जो ओलंपिक में पुरुष हॉकी टीम का हिस्सा था भी इसी आयुध निर्माणी इटारसी का छात्र था। उसे स्कूल स्तर पर इसी विद्यालय द्वारा प्रोत्साहित किया गया था। इसके अलावा वर्षों से समस्त विद्यालयों ने हजारों हजारों प्रतिभाओं को तराशा है जो आज देश के निर्माण में एक अहम भूमिका निभा रही है।

3) महोदय आपके पहले से भी अवगत कराया जाता है कि वर्तमान में आयुध निर्माणीयों के अधीन विद्यालय संचालित किए जाते हैं। इस विद्यालयों में शिक्षक शिक्षिका कार्यरत है। लगभग 20000 विद्यार्थी आज भी अध्ययन करते हैं। इन विद्यालयों में प्राथमिक स्तर से कक्षा 8 तक निःशुल्क शिक्षा है। वहीं माध्यमिक हाई स्कूल, हायर सेकेंडरी स्तर तक रु150, रु 250 वार्षिक फीस शुल्क के रूप में लिए जाते हैं। सस्ती शिक्षा पूर्ण मूलभूत सुविधाओं के कारण आज भी इन विद्यालयों में छात्र संख्या बहुत हैं। इन विद्यालयों में अधिकांश अनु. जाति, अनुसूचित जनजाति, पिछड़े वर्ग के छात्रों का बाहुल्य है। इसके अलावा

निचले मध्यम वर्ग के भी अधिकांश छात्र इन विद्यालयों में अध्ययन करते हैं।

4) उपरोक्त पहलुओं का आपके संज्ञान में लाने का मुख्य उद्देश्य आपको अवगत कराना है कि जहां एक और आयुध निर्माणी ओके निगमीकरण प्रक्रिया के तहत समाज स्कूल बंद होने की कगार पर हैं वहीं दूसरी ओर सरकार के लिए शिक्षा अधोसंरचना को विकसित करना आज भी एक चुनौती है।

अंत में आप से अनुरोध है कि शिक्षा उसकी अधोसंरचना शिक्षा के महत्व को ध्यानाकर्षण करते हुए आयुध निर्माणी बोर्ड की निगमीकरण की प्रक्रिया से समस्त स्कूलों को मुक्त रखा जाए। साथ ही इन स्कूलों का यथावत संचालन जारी रखा जाए। निश्चित ही आपका सकारात्मक निर्णय, शिक्षा जैसी मूलभूत सुविधा बच्चों को सस्ती शिक्षा का स्रोत जारी रखने में सहयोग करेगा। एक अपील शिक्षक वर्ग द्वारा आपके अवलोकनार्थ भवन हेतु प्रेषित।
